Computer Science

Phone: +92-335-5583897

Email: azany.mrd@gmail.com

Address: I-8/4, Islamabad

Nationality: Pakistani

Gender: Male

Linkedin: www.linkedin.com/in/azanahmad/

Date of birth: 10 Mar 2001

Website: azan.github.io

CAREER SUMMARY:

Enthusiastic graduate with a bachelor's degree in Computer Science, skilled in Python, machine learning, data analysis, and web development. Eager to leverage these skills to drive impactful solutions and collaborate on innovative projects in dynamic environments. Committed to continuous learning and expanding my expertise in these technologies to stay at the forefront of industry trends and advancements.

EDUCATION:

University

- 2019 - 2024 | National University of Modern Languages Islamabad (NUML)

College

- 2016 - 2018 | Punjab College Risalpur (Mardan)

School

- 2005 - 2016 | Saint Andrews Public High School and College Mardan

WORK EXPERIENCE:

Unique Consultant

Worked as Python developer (Internship) | Jun 2023 – Aug 2023

- Developed efficient web applications using Python and PostgreSQL
- Implemented Docker containers for streamlined deployment processes
- Contributed to project development, ensuring robust solutions were delivered

PROJECTS:

Final Year Project

Semester Grade Predictor | 2022 - 2023

- Developed "Semester Grade Predictor" as the Final Year Project, aimed at forecasting students' future grades using machine learning techniques
- Leveraged Jupyter Notebook for model development, allowing for seamless experimentation and iteration
- Enhanced user experience by incorporating a Bootstrap template into the interface, providing visually appealing and interactive data results
- Facilitated academic planning and improvement insights through the intuitive interface design

SKILLS:

Python | Machine Learning | Data Analysis | Web Development | Git | Github | Docker | HTML | CSS | Bootstrap | SQL

PROFICIENT IN:

Coding Tools

- Jupyter Notebook | Visual Studio Code | PyCharm | Netbeans | Google Colab | Dev C++ | IntelliJ IDEA

Other Software Tools:

- MS Office | Notion | Canva

CERTIFICATES:

- Crash Course on Python by Google (Coursera)
- Programming in Python by Meta (Coursera)
- Introduction to Git and Github by Google (Coursera)
- Introduction to Back-End Development by Meta (Coursera)

LANGUAGE SKILLS:

Mother tongue(s):

- Pashto

Other language(s):

- English
- Urdu
- German A1
